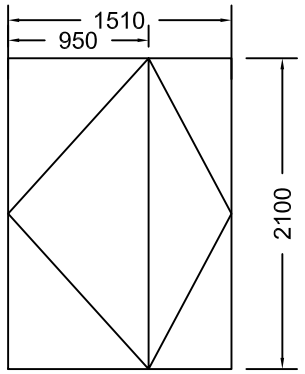
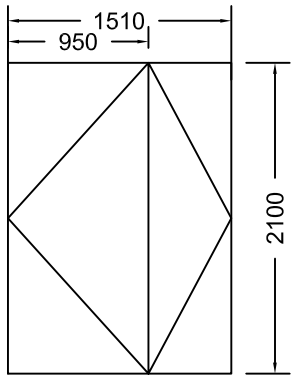
Wheelchair Access



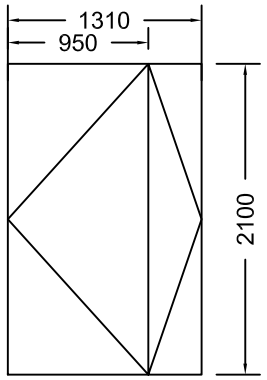
DT-35 - Timber Door/Steel Frame

Sound Reduction - 52db
Fire Rating - /
Security - Lockable
Threshold - A
Quantity - 0
Patient trolley access
Radiation proof Code 4 1.8mm
lead shielding equivalence
Radiation proof symbol



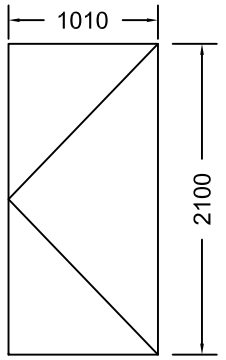
DT-36 - Timber Door/Steel Frame

Sound Reduction - 35db
Fire Rating - /
Security - Keylock / Thumb turn
Threshold - A
Quantity - 0
Patient trolley access
Radiation proof
0.5mm Lead shielding equivalence
Radiation proof symbol



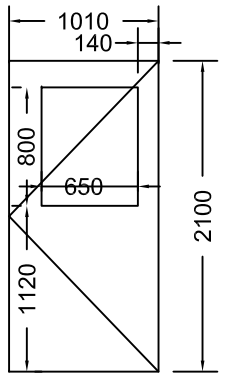
DT-37 - Timber Door/Steel Frame

Sound Reduction - 52db
Fire Rating - /
Security - Lockable
Threshold - A
Quantity - 0
Patient trolley access
Radiation proof Code 4 1.8mm
lead shielding equivalence
Radiation proof symbol



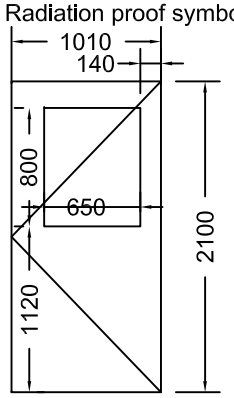
DT-38 - Timber Door/Steel Frame

Sound Reduction - 35db
Fire Rating - /
Security - Keylock & Thumb Turn
Threshold - A
Quantity - 0



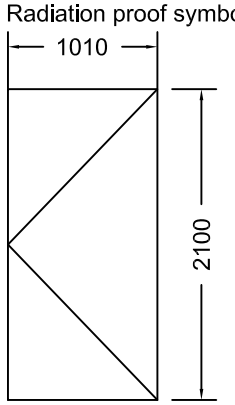
DT-39 - Timber Door/Steel Frame

Sound Reduction - 52db
Fire Rating - 30min
Security -Keylock / thumb turn
Threshold - A
Quantity - 0



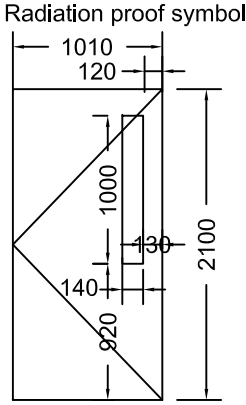
DT-40- Timber Door/Steel Frame

Sound Reduction - 48db
Fire Rating - /
Security - Keylock/Thumb Turn
Threshold - A
Quantity - 0



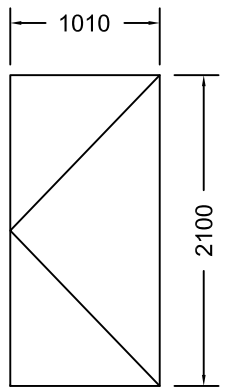
DT-41- Timber Door/Steel Frame

Sound Reduction - 48db
Fire Rating - 60min
Security - keylock / Thumb Turn
Threshold - A
Quantity - 0



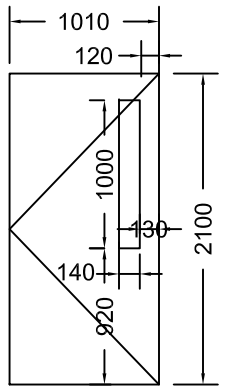
DT-42- Timber Door/Steel Frame

Sound Reduction - /
Fire Rating - 30min
Security - /
Threshold - /
Quantity - 0
Trolley /Equipment access



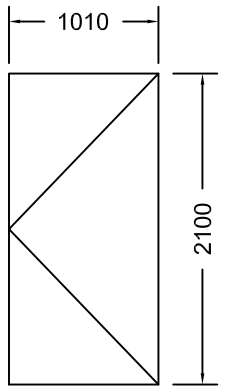
DT-43- Timber Door/Steel Frame

Sound Reduction - 48db
Fire Rating - /
Security - Keylock & Thumb Turn
Threshold - A
Quantity - 0
Self closing
Colour - NCS S 0502 -Y



DT-44 - Timber Door/Steel Frame

Sound Reduction - 35db
Fire Rating - /
Security - Keylock & Thumb Turn
Threshold - A
Quantity - 0



DT-45- Timber Door/Steel Frame

Sound Reduction - /
Fire Rating - 30min
Security - Keylock & Thumb Turn
Threshold - /
Quantity - 0
Self closing delayed action (Free
Swing Closing Device)
